CONDITIONS OF APPROVAL: PAD12001

1. A building permit application shall be made on or before June 14, 2014 or the zoning of the property may revert to that in place at the time of application, subject to a public hearing.
2. The property owner shall sign a waiver of rights and remedies form. By signing the form, the Owner voluntarily waives any right to claim compensation for diminution of Property value under A.R.S. §12-1134 that may now or in the future exist, as a result of the City's approval of this Application, including any conditions, stipulations and/or modifications imposed as a condition of approval. The signed form shall be submitted to the Community Development Department no later than July 16, 2012, or the approval shall be null and void.
3. Prior to issuance of building permits, the Planned Area Development Overlay document for Gracie's Village shall be put into proper engineered format with appropriate signature blanks and kept on file with the City of Tempe's Community Development Department.
4. The maximum residential density shall not exceed twenty-five (25.0) dwelling units per acre in accordance with the limit imposed by the MU-3 District.
5. The total building area, including non-habitable enclosed space, shall not exceed 80,548 sf.
6. The maximum building lot coverage shall not exceed thirty-three (33) percent of the net site area.
7. The maximum building height to parapet shall not exceed 54'-0", which is 4'-0" in excess of the height limit imposed by the MU-3 District. The maximum building height for uninhabited top of stair and elevator cores may extend an additional 10'-0" in height to a maximum of 64'-0". Building height is as measured from the top of curb in the center of site frontage on Apache Boulevard.
8. The maximum quantity of habitable building levels above grade shall be four (4). Residential dwelling units shall not be permitted on the 4th floor.
9. The minimum building setbacks shall be 0'-0" facing Apache Boulevard (front), 1'-0" facing Una-Butte Avenue (street side), 2'-0" facing west and 36'-0" facing north. The north building setback is established to allow building step-back to be measured from this line. A minimum dimension of 70'-0" from the north property line to the north stair tower, following the dimension as indicated on the site plan, shall be maintained.
10. The minimum 20'-0" on-site parking setback from property lines facing public streets shall be maintained in accordance with the limit imposed by the MU-3 District.
11. The minimum landscape coverage shall be twenty-three (23) percent of the net site area. The minimum box size of trees planted along the north property line shall be 36 inches. The applicant shall hold a neighborhood meeting to discuss and determine tree species to be planted along the north property line. The public utility easement located along the north property line may be surfaced with vegetative groundcover.

CONDITIONS OF APPROVAL CONTINUED: PAD12001

12. The applicant shall hold a neighborhood meeting to discuss and determine a modified driveway design on Una Butte Avenue that prevents vehicles from exiting the site driveway and turning left (north) on Una Butte Avenue. Final modified design detail is subject to approval by the Transportation Division.

13. Meet with Transportation Division and review signal timing and phasing of Apache Boulevard and McClintock Drive intersection. Subject to Transportation Division restrictions, have Transportation Division modify operation of eastbound Apache Boulevard left turn movement onto northbound McClintock Drive in order to reduce potential cut through traffic from eastbound Apache Boulevard left turn movement onto northbound Una-Butte Avenue and through neighborhood.

14. In the right of way where Una-Butte Avenue transitions into separate Una and Butte, provide a neighborhood entrance feature consisting of an upgraded pavement stripe. Conduct a neighborhood meeting with focus on the design of this neighborhood entrance feature. The design is subject to the restrictions of Public Works Department and will require an Encroachment Permit.

15. Do not locate on-street parking spaces on Una-Butte Avenue adjacent to development.

16. The minimum vehicle parking quantity shall be one-hundred thirty one (131) on-site parking spaces.

17. As part of the building plan submittal, Applicant shall clearly define the ground level Clubhouse/Community Center space. The Resident Clubhouse/Community Center space shall be designated as resident use only.

18. Use of the Clubhouse/Community Center space shall not include a food bank, a medical/dental clinic, or public shower or bathing facilities. Use of Clubhouse/Community Center space shall not include retail, office or storage functions for the thrift store.

19. Provide a maximum of fifty (50) dwelling units. There shall be no residential units containing four (4) or more bedrooms. There shall be a maximum of fifteen (15) residential units containing three (3) bedrooms. The Project's total bedroom count shall not exceed 94 bedrooms. Stipulate in the house rules that each of the dwelling units is for tenants that stay for a period of at least thirty (30) days. A tenant's guest may stay for a maximum of fourteen (14) days. Use of dwelling units for transients that stay for less than thirty (30) consecutive days, as defined in the Tempe City Code, shall be considered a violation of the intent of the Zoning Map Amendment.

20. Develop a Security Plan with the Police Department for the residences. Follow guidelines indicated in Security Section of Code-Ordinance requirements below. Additionally, the following apply: Provide a Management Team to govern the housing portion of the property. Include the Management Team in the security plan meetings with the Police Department. Complete draft of Security Plan prior to issuance of building permit. Complete final Security Plan prior to issuance of Certificate of Occupancy.

21. Develop a site monitoring process with the Salt River, Pima and Maricopa Indian Community. Provide a monitoring process during site excavation for prompt identification, protection and proper removal of archeological remains.

22. To protect the privacy of adjoining neighbors, the area of the roof patio shall not exceed 2,412 square feet. The roof patio shall also be setback from the exterior edge of the respective parapets of the building's north wing as follows: north parapet - minimum of 80 feet; east parapet - minimum of 12 feet; and, west parapet - minimum of 12 feet. Rails, metal screens, hardened glass or other building materials used to enclose the north edge of the roof patio shall be a minimum of 5'-0" in height.

23. Any tree(s) planted as part of the project's required landscape improvements that dies shall be replaced with the same type/species of tree within 30 days of the subject tree(s) being determined to be dead. The minimum box size of any replacement tree planted along the north property line shall be 36 inches.
