

AND ALL OF TRACT "B" OF "GALLERIA", A SUBDIVISION OF RECORD, AS RECORDED IN BOOK 274, PAGE 26, M.C.R., AND SITUATED IN A PORTION OF THE SW 1/4 OF SECTION 11, T.15, R.4E, G. & S.R.B.M., MARICOPA COUNTY, ARIZONA.

[illegible]

By: B. B.
President

On this, the 31ST day of MARCH, 1988 before me the undersigned officer, personally appeared Brian G. Neuge, who acknowledged himself to be President of B C G Stone, Inc., an Illinois corporation, an Owner and acknowledged that he, as such officer, being authorized so to do, executed the foregoing instrument for the purposes therein contained.

Approved by the Council of the City of Tempe, Arizona this 15th day of January, 1994

By: Harry E. Mitchell Mayor

Attest: Galen R. Dowler Clerk

The seal of the Maricopa County Superior Court is a circular emblem. It features the words "MARICOPA COUNTY" in an arc at the top and "SUPERIOR COURT" in an arc at the bottom. In the center, the word "SEAL" is prominently displayed.

Figure 1 consists of two schematic diagrams of the experimental apparatus. Diagram (a) is a top view of a rectangular arena with a central platform. The arena is divided into four quadrants by a central platform. The platform is labeled 'STARTING POINT' and 'PLATFORM'. The arena is labeled 'ARENA'. Diagram (b) is a side view of the arena, showing the platform's height and the arena's height. The platform is labeled 'PLATFORM' and the arena is labeled 'ARENA'.

SURVEYORS
ARIZONA

This is to certify that the survey and subdivision of the premises described and plotted herein were made under my direction during the month of December, 1931, and that the plat is correct and accurate, and that the measurements shown actually exist or will be set as shown. That their positions are correct and that said measurements are sufficient to enable the survey to be retraced.

P.U.E. Indicates public utility easement, unless noted otherwise.

V.N.A.R. Definition: vehicular non-stress instrument.

Construction within public utility easements shall be limited to utilities, and wood, vinyl or renewable section type fencing.

This subdivision is located within the city of Tega water service area and has been designated as being an assured water supply.

That all utilities, including street light and electric lines up to and including 12.5 K.V. installed with this

The users of track "A", identified as a drainage easement on this list, are responsible for the installation, maintenance, and repair of the drainage system.

maintainance of said tract in accordance with standards established by the Daps City Engineer pursuant to Ordinance No. 818).

No buildings or structures of any sort may be constructed within said Tract "B", which may impede the flow of water within said tract.

Public utility easements are subordinate to the drainage easement.
